Hopscotch House 2010 Summer Residency
Stipend Request Form

Because KFW Summer Residency funds are limited, please request a stipend only if necessary and think carefully about the amount needed to make your residency a success.

To be considered for a stipend, please complete this form and submit it with your Summer Residency Application.

Requested funds may be used for essential expenses, such as food costs and art supplies during the residency. If necessary, artists may also request stipends for related costs, such as mileage or transportation, childcare, or lost wages. A total of $3,000 is available for stipends, so it is possible for all artists selected to receive at least partial funding. However, this amount cannot cover all selected artists at the $400 per week maximum. Please request only what is necessary for the success of your residency. Stipend funds will be distributed upon arrival.

1) Name_____

2) Stipend request is for (please circle one): 1-week 2-week
